## PHILOSOPHY

Our Summer Day Camp provides a recreational program for children of parents who need summer childcare. The camp's mission is to provide each child with a safe, loving atmosphere designed to help them develop physically, socially, and spiritually.

## DISCIPLINE

With any group of children, control must be maintained for safety and program continuity. Appropriate measures will be taken to ensure control and safety in the camp. Parental support is essential to achieve these goals.

## FACILITIES/SAFETY

Our camp provides excellent equipment and facilities for a variety of recreational activities. Playground, gymnasium, and athletic fields will all be used as part of each camper's experience. Safety is also of high importance as the facility is equipped with video surveillance at the main entrances, first aid kits, and staff members trained in First Aid.

## ACTIVITIES/FIELD TRIPS

Fayette Baptist Summer Day Camp offers a rotation of weekly activities that include, but not limited to, sports, crafts, field trips, and more. The camp also includes studies on health, safety, and Christian living. Field Trips take place most every week on Thursdays to places like Pump It Up, Sky Zone, Shelby Farms, Incredible Pizza, the Zoo, and more. **PLEASE NOTE: Field Trip Attendees must be signed up by Tuesday each week of the field trip for planning and transportation purposes.**

## LUNCHES/SNACKS

Our camp offers two options for snacks and lunch each day: (1) Parents can pack snacks and a lunch each day with their child OR (2) pay the weekly/daily rate that will include snacks and lunch daily (see rates page for price for both options). Please note that if your child decides to bring a sack lunch, his/her name must be clearly marked on it.
