PHILOSOPHY

Our Summer Day Camp provides a recreational program for children of parents who need summer childcare. The camp's mission is to provide each child with a safe, loving atmosphere designed to help them develop physically, socially, and spiritually.

DISCIPLINE

With any group of children, control must be maintained for safety and program continuity. Appropriate measures will be taken to ensure control and safety in the camp. Parental support is essential to achieve these goals. Further details on our policies are in the Parent Handbook that you will be provided.

FACILITIES/SAFETY

Our camp provides excellent equipment and facilities for a variety of recreational activities. Playground, gymnasium, and athletic fields will all be used as part of each camper's experience. Safety is also of high importance as the facility is equipped with video surveillance at the main entrances, first aid kits, and staff members trained in First Aid.

ACTIVITIES/FIELD TRIPS

Fayette Baptist Summer Day Camp offers a rotation of weekly activities that include, but are not limited to, sports, crafts, field trips, and more. The camp also includes weekly themes & lessons on various character traits. Field Trips take place nearly every week on Thursdays to places like Pump It Up, Sky Zone, Shelby Farms, the Memphis Zoo, and more.

PLEASE NOTE: Field Trip Attendees must be signed up by Tuesday each week of the field trip for planning and transportation purposes.
